Additional Considerations

Pre-payments are not allowed under any circumstances. All payments must be for services rendered. Services purchased with sponsored funds must be directly allocable to the funding project. Direct materials cost estimates are available upon request. Some resources have a daily maximum reservation. [Training](#) is required for self-service use. Flat technology costs are calculated using a variety of factors. A typical flat technology reservation for non-commercial use is \$50.00.

As a University of Maine facility, The IMRC Center is a place of interdisciplinary, experiential learning first and foremost. We ask all users to understand that equipment and technology may falter or be busy from time to time and that students or staff may make mistakes during their experiential learning process. In accessing IMRC services, all users acknowledge that all efforts are made to set and meet clear expectations of service excellence in accordance with the [Operational Guidelines & Essential Functions of the Center](#), under the guidance of [UMaine Research](#), and in alignment with the [Vision & Values of the University of Maine](#).
